It is possible to appoint Y.Lakshminarasimha Sastry as a Sub Assistant Surgeon, on the usual scale of pay sanctioned to that class and to keep him in the Medical Department for work in any of the Hospitals or dispensaries, where qualified hands are wanted to fill up vacancies. It is not possible either to appoint him on a special scale of pay which will create/ot of discontenment in service, or, after appointment in the Medical Department, to lend his services for work in the Ayurvedic College, on account of paucity of hands, as proposed in the notes supra.

Moreover, he was not a brilliant student to be shown any concession. His rank was 12/22 in the Pass list.

His appointment on a special scale of pay to the staff of the Ayurvedic College is a subject to be taken up by the Muzrai Department, in connection with the improvement of that institution, as contemplated in the note that form an enclosure to letter No.1352-Med.dd.17-1 dated 22nd August '17. The candidate would seem to be qualified for appointment as Vice Principal of the Ayurvedic College and Lecturer in any one of the subjects taught there. When the candidate will undergo the training in the Grant Medical College pursuing now, he could become the Principal, as the present Head Master will be due to retire then.

There does not no savings are expected out of the above provision.

It is ascertained that there was a saving of Rs 470-2-9 in the College budget, last year (1922-23) and it must have lapsed to Govt.

If Mr Lakshmi Narasimha Sastry is to be appointed in the Ayurvedic College, addl. provision has to be made therefor in the Budget.

Bangalore.

To

T.E. Jayarama Aiyar, Esq., B.A., B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Revenue Department,
Bangalore.

Sir,

I have the honor to submit herewith application dated 26th 1923 from Ayurveda Vidwan Y. Lakshminarasimha Sastry (received vi No.268 dated 27th April 1923 from the Principal, Medical School) state as follows:--

2. The applicant joined the Government Ayurvedic College, Myso January 1909, and, after undergoing training for four years, passed final examination in first class in 1914. Afterwards he was deput Calcutta along with two others to undergo a post-graduate course of stu in Ayurveda and, for proficiency in that branch of learning, he was awarded the title of 'Bhishak Chudamani' by the Calcutta Ayurvedic -- establishment. On his return from Calcutta, Mr. Laksmmi Narasimha Sast was appointed Pandit of the Ayurvedic Dispensary at Davangere, where he seems to have rendered good service as may be seen from the extracts from visitors' book appended to the application. In 1919 he joined the Medical School, Bangalore, under the scheme of scholarships for the Study of Ayurvedic and Unani Systems of Medicines sanctioned in Governmer Order No. 3946-49/M.F.40-17-3 dated 23rd August 1918 and after undergoing the prescribed course of study in English medicine, passed the final examination held this year.

3. The question now for consideration is how to utilize the servi

services of this Pandit who has entered into an agreement to serve the State for a period of not less than five years on such pay as may be fixed by Government.

The ruling that the entertainment in service of the successful candidates of the Ayurvedic College shall continue to be optional with Government and local bodies (Vide Government Orders Nos.3027-33/M.F. 511-09 dated 23rd June 1910 and 544-50/Med.71-15-11 dated 27th July 1917) does not apply in the present case, for Mr. Y. Lakshminarasimha Sastry is both an Ayurveda Vidvan and a passed medical pupil. For this same reason also instructions for the entertainment of passed medical pupils do not apply (No.G.679-80/Med.69-16-4 dated 13th July 1918).

As the scholarships under Government Order dated 23rd August 1918 were instituted with a view to encourage the study of Ayurveda on modern scientific lines and thus increase its popularity and usefulness, and as the Pandit has justified his selection having spent a good number of years in equipping himself in both the systems of medicines, viz., Ayurvedic and Allopathy, his case should, I beg to submit, be given special consideration and a starting pay commensurate with his qualifications seem to be necessary. For these reasons, I am of opinion that the Pandit may be given a special grade of Rs.70-5-90 to start with and attached to the Ayurvedic College, Mysore.

4. I solicit the early orders of Government in the matter.

I have the honor to be,
